

Memories of Velldenar

Chapter 3

The procedure took three hours.

When it was over, she sat in a small chair and cried
for someone she had never met.

The Remembrancer waited patiently.
This was, she had explained beforehand,
entirely normal.

The memories of the dead, she had said, always come
with their emotional residue attached.
You will feel things that are not yours.
In time, you will learn to tell the difference.
